

SPARTAN COREFEST 2026

SEPTEMBER 17, 2026
1:00 - 4:00 P.M. | ISTB

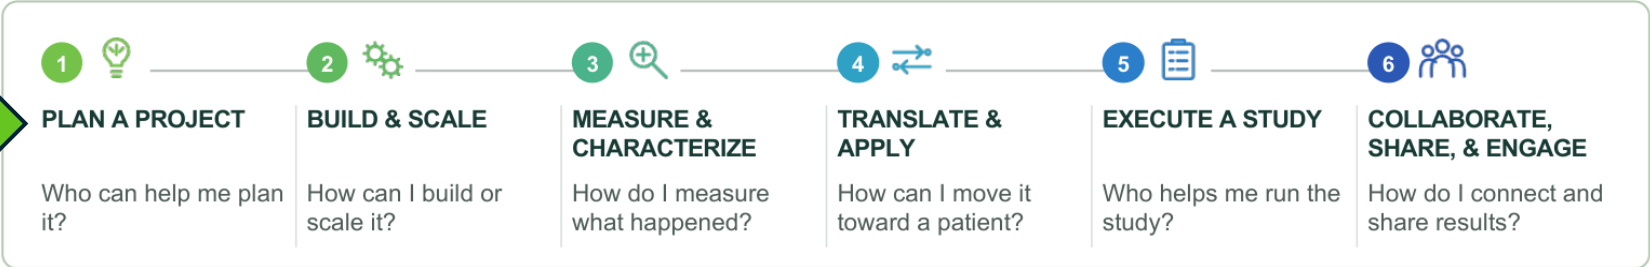

Check in under the Tent:

- Get **FREE** CoreFest Swag
- Get **FREE** Ice Cream
- Play our Passport Game for a **FREE** T-Shirt

Explore Shared Resources based on Thematic Area

Plan a Project

- Research Development & Proposal Services
- Research Facilitation Network
- Office for Survey Research
- IT Research CyberInfrastructure
- Digital Scholarship Lab
- EH&S

Tent
and
Outside
ITSB

Build and Scale

- Bioeconomy Institute
- GLBRC - Biomass Analytics Facility
- Anaerobic Digestion Research and Education Center
- Geological Sciences Facility
- Horticulture 3D Printing
- IQ 3D Printing Core
- Cubi3c Core
- Plant & Pest Diagnostics
- PFAS Analytics Laboratory
- RS&GIS

Measure & Characterize

- Cryo-EM Facility
- HFH Flow Cytometry Core
- MSU Flow Cytometry Core Facility
- IQ Microscopy Core
- Center for Advanced Microscopy
- Stable Isotope Core Facility
- QBEAM
- Max T. Rogers NMR Facility
- Integrated Mass Spectrometry Unit
- Mass Spec & Metabolomics Core
- Genomics
- Proteomics Core Facility
- Bioinformatics Core
- Biochemistry Research Store

Upper
ISTB

Collaborate, Share, & Engage

- Institute for Cyber-Enabled Research (ICER)
- University Outreach & Engagement
- Knowledge Commons / MSU Commons
- Hollander Makerspace - Library
- Creative Solutions Center - Library
- CIRCLE
- Toolbox Dialogue Initiative Center

Small
Conf.
Rooms
ITSB

Translate & Apply

- Cognitive Imaging Research Center (CIRC)
- Advanced Molecular Imaging Facility
- Center for Imaging & Imaging-Guided Therapy (CIIGT)
- RadCore
- Precision Health Program Imaging Facility
- Precision Health Program Tissue Analysis Core
- Assay Development and Drug Repurposing Core & Medicinal Chemistry
- HFH Biorepository
- Precision Health Program Single-Cell Biology Core
- Transgenic and Genome Editing Facility (TGEF)
- Stem Cell Core
- Metabolic Phenotyping and Preclinical Imaging Core
- Clinical Innovations Program (CLIP)

ITSB
Hallway

Execute a Study

- HFH+ MSU Health Sciences
- HFH PHS Research Laboratory
- Biomedical Research Informatics Core
- Clinical Research Support Core
- Center for Statistical Training and Consulting (CSTAT)
- Digital Slide Scanning Core
- Investigative HistoPathology Laboratory
- HFH Research Histocore Laboratory

Main
Conf.
Room
